The Ateneo Graduate School of Business is recognized for its high standards of academic excellence and a focus on developing responsible leaders dedicated to nation-building. At the Clark campus, AGSB currently highlights two tracks of the MBA Program: Ateneo-Regis MBA and MBA Standard. The Ateneo-Regis MBA is designed for senior managers and executives, delivered in an accelerated format that fits demanding schedules, emphasizing self-directed learning and greater personal responsibility. It is developed in collaboration with Ateneo de Manila University and Regis University in Denver, Colorado. MBA Standard is targeted at early-career professionals ready to take on broader leadership roles, grounded in management fundamentals, key concepts, and practical applications to prepare emerging leaders for higher responsibilities.
